

Christmas tickets selling fast at Lotherton!

Lotherton announces ticket sales success as spots with Santa fill up fast

After the much-anticipated ticket launch for The Christmas Experience, Lotherton are urging those who wish to visit the magical event to act now as tickets are selling fast.

Although Santa's weekend diary is almost fully booked there are still plenty of weekday appointments available to ensure little ones can get their wish lists to Father Christmas in time for the big day.

Santa will be in residence from 3.40pm each weekday, and has a number of spaces available for the perfect after-school treat. However, these are limited so people are encouraged to secure their time slot now.

From 23 November to 23 December, families can embark on a festive adventure in the ultimate winter wonderland. Activities include seasonal favourites such as the Twelve Days of Christmas Woodland Walk, the Elf Village, the Enchanted Fairy Dell, The House and Edwardian Selfie Studio, and The Christmas Courtyard.

The Christmas Experience will also feature a very special North Pole, where children can help Santa's elves in their workshop, as well as visiting Father Christmas himself to share their wishes.

Councillor Judith Blake, Leader of Leeds City Council, said:

"It has been brilliant to see such a strong demand for tickets to visit Santa in the North Pole at Lotherton. We would encourage those eager to see Santa to act fast or treat their little ones to a weekday visit, as with only a month to go until The Christmas Experience opens, Santa's diary is filling up fast and nearly all weekend slots are now booked up!"

The Christmas Experience opens on 23 November 2018, and is run by Lotherton, Leeds City Council and Breeze. Tickets available now, with a number of visit options.
