Chapter One Bistro wins prestigious award Good Food Award for 2019!

Chapter One Bistro, now in their sixth year of trading, has won the hearts (and stomachs) of their customers, who both nominated and voted for them to win the prestigious Good Food Award 2019.

The Bistro, located in the Market Place, is a welcoming eatery for those looking for a relaxed bite to eat, serving exceptional food throughout the day and using produce from local businesses such as Paleys Greengrocers, Fletcher's Butchers of Norton and also Malton Fisheries.

Jackie Scott, the owner of Chapter One Bistro said "We are thrilled and humbled to have won this fabulous award, it came as a huge surprise. Winning this award was only possible due to the support and dedication from the fantastic team that we have here, they work so hard to provide a top quality service to the people who matter - our customers. We pride ourselves on serving only the best food that has been prepared onsite using locally sourced produce, from making our own salad dressings to our slow cooked BBQ pulled pork."

The award is judged on a number of factors such as customer feedback over the previous year, food hygiene standards and food quality and during this time, Chapter One Bistro has demonstrated outstanding standards of food service, quality and value.

Tom Naylor-Leyland from the Fitzwilliam (Malton) Estate said, "It's wonderful that Jackie and her team have received this very well deserved reward. Malton's restaurant scene is really moving forward!"
