

Chocolatier at Filey Food Festival

Crofts Chocolates of Scarborough will be returning to a key foodie event in June to help promote locally-crafted chocolates.

Filey Food Festival, which takes place on Saturday 8th and Sunday 9th June in the Evron Centre and in the Glen Gardens in the town, hosts scores of stalls selling artisan food and drink, including some great Yorkshire produce.

Alex Grant, co-owner of Crofts, said: "Filey Food Festival is a friendly and popular event that celebrates local, regional and international food in a beautiful seaside location.

"We have our stall inside the Evron Centre which is in the heart of the seaside town.

"We start preparing for the event well ahead of time as we know the visitors have a sweet tooth!"

Filey Food Festival also has events in August (10th and 11th) and October (12th and 13th) at the same locations.
