

## **Raisthorpe partners with Simply Foliage for Christmas wreath workshops**

A Christmas wreath bursting with fragrant greenery, vibrant red berries and springs of holly is a great way to welcome visitors to your home and the perfect finishing touch to festive decorations.

Join Raisthorpe Distillery on its Yorkshire Wolds farm near Thixendale on 4, 7 or 8 December to create your own beautiful seasonal wreath to take home for either your own front door or for gifting, while enjoying a glass of Raisthorpe festive fizz and homemade mince pies.

Foliage expert and the British Flower Association's Supplier of the Year Alison Aikman from Full Sutton based Simply Foliage will share her top floristry tips, while guiding you through the steps to create your own traditional Christmas wreath.

The two-hour workshop costs £55 and all materials are supplied. Individual and group bookings are welcome.
