

Gulliver's Valley all set for a magical Christmas to remember

Gulliver's Valley will be transformed into a magical winter wonderland in the lead up to Christmas with festive rides, snowy surprises and even a special Santa send-off event held on Christmas Eve.

To celebrate the most wonderful time of the year, families from across the region are invited to enjoy some Christmassy adventure for themselves at the Rotherham theme park and resort.

As well as Elfie mischief and fairy fun, there will be selected festive rides and attractions for big and little thrill seekers to experience.

Premium Festive Breakfast and Cracker packages are available, which include selected Christmas rides and attractions, children choosing their own gift from the Elf Workshop or interactive Christmas shop and appearances from Santa throughout the day.

Christmas packages at Gulliver's Valley start from only £7.

There is even more Christmas cheer available with Festive Friday Adventures and the Tinsel Tot package. While families looking to celebrate Christmas with a bang can finish a day on the rides by joining Gully and the Gang for a special fireworks display on December 23.

There's also the Santa Send-Off on Christmas Eve to wave farewell to jolly old St. Nicholas as he heads off across the globe with a sackload of presents. Selected rides and attractions will be open as part of the package, which culminates with the send-off of Santa.

Families can extend their magical stay with Santa Sleepovers at Gulliver's Valley Resort. There are several seasonal adventures available in themed accommodation, from the Tinsel Tots Sleepover for parents and toddlers, to the Santa Sleepover including entry to the enchanted Winter Wonderland and access to rides and attractions.

The festivities at Gulliver's Valley start from late November and continue through December.

Andy Flowers, resort manager at Gulliver's Valley, said: "We are all set to make this a Christmas to remember here at Gulliver's Valley. We have so many exciting activities planned, from regular appearances from Santa and gifts from our Elf Workshop to a special firework display and Santa Send-Off event, which will entertain those who are looking for a sprinkle of festive magic this year.

"We hope as many people as possible will join us this festive season – you won't be disappointed!"
